

static const pmode

```
classDiagram
    class "static const pmode" {
    }
    class "redi::pstreams" {
    }
    "static const pmode" *-- "redi::pstreams" : +pstderr, +pstdin, +newpg, +pstdout
```

The diagram consists of two class boxes. The top box, labeled 'static const pmode', has three horizontal compartments. The bottom box, labeled 'redi::pstreams', is shaded gray and also has three horizontal compartments. A vertical line connects the bottom of the top box to the top of the bottom box, ending in a hollow diamond. To the right of this line, the following attributes are listed: +pstderr, +pstdin, +newpg, and +pstdout.

+pstderr
+pstdin
+newpg
+pstdout

redi::pstreams
